chart: 📶 data: ⊞

The United States Chartbook includes more than 100 indicators of the performance of the U.S. economy. Chartbook plots follow a uniform design. The line plots show trends since 2006, while the horizontal bar plots decompose the most recent developments. The latest value and its reference period are listed in the bottom left corner of line plots. Below each plot is a brief listing of the source with a link (in blue) to the source data.
